

Activity Sheet

Name of scientist:

Why is light important?

Inquiry Walk

Here are some sources of light that I see:

My sorting conditional statement:

A classmate's conditional statement:

Here are the categories we made as a class

Category 1: _____ Category 2: _____

What's the difference?

Pseudocode

Design a sorting game where you have to organize sources of light into Natural and Artificial categories. Include 3 examples of each light source and write a minimum of 3 lines of code.

Design	Code

Reflection

Name and draw a source of **natural light** that you use. What do you use it for?

Name and draw a source of **artificial light** that you use. What do you use it for?
